The **Center on Contemporary Art** brings the tradition of its 24-hour art-making Marathon – the first such endurance event for artists in the country -- to the Seattle Design Center's 10,000 square-foot Atrium in Georgetown.

This spectacle of pandemonium and frenzied mayhem includes 24 caffeine-fueled artists performing in Drawing, Painting, Sculpting, Hot Waxing (Encaustic), Photographing, Video-Taping, Versifying, Collaging, Spraying, and more. Over 100 works of art will be created spontaneously over the ensuing 24 hours.

One week after the artists finish, at precisely 6pm on Saturday, November 19, silent auctions will begin in Seattle Design Center's Plaza Building, with dinner and a live auction of the "cream of the crop" – the best works created by each artist during the course of the event. As always, proceeds of the fundraiser will be split between CoCA and the artists. Tickets and more information available at <http://www.cocaseattle.org/tickets.php>

Artists: Momoko Sudo (Oakland CA), Craig van den Bosch, Geoffrey Garza, John Osgood, David Lee Francis, Fox Spears, Ricco DiStefano, Anouk Jonker (Langley BC), Callard Geller, Babs Fulton, Sonya Stockton, CASH, Todd Horton, PLUS TEN OTHERS (final list TBD after Nov. 6)
